# About FHC

The Foundation for Healthy Communities is a statewide nonprofit organization that works to improve health and health care delivery in New Hampshire. The New Hampshire Medication Assistance Guide was developed to help low-income residents access the prescriptions they need from public and private programs.

Learn more about our various program activities by visiting [www.healthyNH.com](http://www.healthyNH.com)

PROGRAM/CONTACT INFO.	BENEFITS	ELIGIBILITY GUIDELINES	
<b>Medicaid</b> Call the Department of Health and Human Services to locate your District Office <b>1-800-852-3345 ext. 4238</b>	The Medicaid program pays for certain health care costs, including prescriptions, for individuals who meet eligibility requirements.	Estimated Monthly Income Limit Based on Household Size: <b>1 — \$593   2 — \$675   3 — \$683   4 — \$691.</b>	
<b>Medicaid Spend Down (In/Out)</b> Call the Department of Health and Human Services to locate your District Office <b>1-800-852-3345 ext. 4238</b>	The Medicaid program pays for certain health care costs, including prescriptions, for individuals who meet eligibility requirements.	N.H. resident must incur medical expenses, which equal or offset either a monthly or six-month spend down to income limits listed above for Medicaid. (Incurred medical expenses are those costs remaining after third party payments have been made.)	
<b>Healthy Kids</b> Ask your physician or local hospital about enrollment or call <b>1-877-464-2447</b>	Free or low-cost health insurance and prescription coverage for uninsured children, teenagers and pregnant women.	<b>Healthy Kids Gold &amp; Pregnant Women Coverage</b> Monthly Premium: <b>\$0.</b> Children up to <b>age 19.</b> Monthly Income Limit Based on Household Size: <b>2 — \$1,978   4 — \$2,984</b> <b>3 — \$2,481   5 — \$3,486</b>	<b>Healthy Kids Silver &amp; Buy-in</b> Monthly Premium: <b>\$25, 45 or \$130 per child,</b> depending on income. Children up to <b>age 19.</b> Monthly Income Limit Based on Household Size: <b>2 — \$4,277   4 — \$6,450</b> <b>3 — \$5,364   5 — \$7,537</b>
<b>Medicare Part D</b> For information on various Part D plans, call <b>1-800-MEDICARE</b> or your local HICEAS office at <b>1-800-852-3388.</b>	Provides prescription coverage for Medicare recipients. There is a monthly premium, annual deductible, and co-pay.	All Medicare recipients are eligible for Medicare Part D. Individuals under 150% poverty level (monthly income less than \$1,196 for one; \$1,604 for two) who meet certain asset criteria are eligible for assistance with their premium, deductible, and co-pay.	
<b>Veterans Benefits</b> <b>624-4366 ext. 6073</b> or <b>1-800-892-8384 ext. 6073</b> or <b>www.visn1.med.va.gov</b>	Medications may be purchased at a VA pharmacy for a \$7 copay per 30-day supply.	All veterans who have been honorably discharged from active military service and meet certain criteria may be eligible. Prescriptions must be written by a VA provider.	
<b>N.H. Medication Bridge Program</b> Contact a local prescription assistance site listed in this brochure or visit <b>www.healthyNH.com</b> for more information.	Pharmaceutical companies will provide free, brand name, long-term medications to the patient’s physician at little or no cost to the patient.	<ol style="list-style-type: none"><li>1. Must not have any prescription coverage.</li><li>2. Monthly household income based on household size. (1- \$1500, 2- \$2,000).</li><li>3. Must be U.S. resident.</li><li>4. Only for long-term medications.</li></ol>
